

WHEN SPRING COMES

The "hurry" season is on, and you will want a trading place where you've confidence in the prices—where you'll feel that no advantage will be taken. One hasn't the time to give so much attention to these matters, and they naturally prefer a secure, satisfactory place.

We are usually well-stocked, and no matter the items you order here, the price is always guaranteed, that is on goods of equal quality, or you are privileged to return the purchase.

Try our CAPITOLA FLOUR.

Yours truly,

C. J. JAYNES.
